

Associate Veterinarian Required
Mixed Animal Practice

We are looking for a well-rounded and energetic veterinarian to join our well-established mixed animal practice, located in Bonnyville, Alberta. We have a very progressive well equipped practice that takes on a wide variety of medical and surgical cases. Currently we are staffed with 4 (full time) DVM's, 3 AHT's and 3 VA's and a receptionist. We opened an Equine Facility in 2010, a newly constructed Bovine Facility in 2015, and expansion and renovations to our small animal facilities currently underway.

We are looking for an Associate who is comfortable working in a fast paced environment, while doing a broad variety of medicine and who is willing to grow and be part of an amazing opportunity! Interest/experience in equine and bovine medicine will be considered a strong asset. New Graduates welcome to apply!

We strive to offer a fun and TEAM orientated environment with a focus on quality medicine. We offer a full complement of services to our clientele from digital x-ray (including dental x-ray), s/a & l/a ultrasound, orthopaedic surgeries, in-house lab, and immunization and a variety of herd health programs.

Requirements:

- Fully CVMA & AbVMA licensed, NEW GRADUATES are welcome to apply!
- Effective personable communicator, fluent in English.
- Highly motivated and energetic with a willingness to expand their medical and surgical skills.
- Looking for long term employment and an opportunity to grow!

Salary: \$80,000 to \$100,000+. Based on experience and interview.

Benefits: moving allowance, paid membership dues, 3 weeks paid holidays, health benefits, shared on-call with our sister clinic (typically a 1 in 4 rotation).

To learn more about our practice, visit our websites at, www.bonnyvillevetclinic.com.

*** Our sister clinic is, Centre Animal Hospital, located in Cold Lake, Alberta, 30 minutes from Bonnyville. This is a progressive small animal practice with ob opportunities available.*
