

Centre Animal Hospital, Cold Lake, Alberta

Associate Veterinarian Needed

We are looking for a well-rounded and energetic veterinarian to join a well-established small animal practice, located in Cold Lake, Alberta. We have a very progressive and well equipped practice that takes on a wide variety of medical and surgical cases. We are looking for an Associate who is comfortable working in a fast paced work environment, while doing a broad variety of medicine.

We strive to offer a fun and TEAM orientated environment with a focus on quality medicine and patient care. We offer a full complement of services to our clientele from digital x-ray (including dental x-ray), ultrasound, orthopaedic surgeries, in-house lab, and immunization programs. We also work closely with our local Humane Society.

Requirements:

- Fully CVMA & AbVMA licensed
- Experience in small animal medicine & dentistry.
- Interest in pocket pets and some exotics would be considered an asset.
- Effective communicator and a team player
- Highly motivated and energetic with a willingness to work shared on-call.
- Looking for long term employment!

Salary: \$80,000 to \$100,000+. Based on experience and interview.

Benefits: moving allowance, paid membership dues, 3 weeks paid holidays, health benefits, shared on-call with our sister clinic (typically a 1 in 4 rotation).

We would be willing to consider a husband/wife team.

To learn more about our practice, visit our websites at, www.animalhealthproviders.com

Our sister clinic is, the Bonnyville Veterinary Clinic, a mixed animal practice offering a progressive take on small and large animals, large animal ultrasound and herd health programs. To learn more, visit us at Bonnyville Veterinary Clinic: www.bonnyvillevetclinic.com
