The 2016 International Conference on Sustainable Veterinary Practice

Title of event: The 2016 International Conference on Sustainable Veterinary Practice

Organiser: The Young Women's Veterinarian Association

Date: October 6, 2016

Venue: Marché Bonsecours in the beautiful Old-Port of Montreal, Quebec

Link: www.ywva.org

One-line description:

Come to see Jane Goodall, listen to dynamic presentations, and join veterinarians from across Canada, students, public personalities and veterinary captains in beautiful Old-Port Montreal.

Short description:

Come to see Jane Goodall and listen to dynamic presentations from a wide variety of industry leaders. This interdisciplinary conference will bring veterinarians from across Canada together with students, public personalities and veterinary captains. Learn about profiting from sustainable practice, get insight on innovative technologies, expand your network and use this opportunity for a team building experience for your clinic.
